Thanks, Enrique!

I confirmed both details, Supervisor Solis's California environmental justice legislation, enacted in 1999, was the first of its kind in the nation to become law.

Attached is the documents with all the edits incorporated.

Thank you!

Adding John Lyons as well. John – if you wouldn't mind taking a look at the attached call sheet and let me know if you have any edits/changes by 11am tomorrow morning? Again, apologies for the quick turnaround!

Thank you!

Subject: Administrator Regan - LA County Supervisor Hilda Solis Briefing Call Sheet

Hi Enrique, Jeff, and Steven,

Los Angeles County Board of Supervisors Chair Hilda Solis has requested a call with Administrator Regan. OCIR is currently working on confirming the scheduling, but it could happen as soon as next Tuesday 5/25. We presume the briefing will be focused on DDT and Exide, since these have been the topics of Supervisor Solis's most recent interactions with EPA.

Attached is the call sheet for the briefing, if you could take a look at it and let me know if you have any edits/changes/suggestions by 11am tomorrow? My apologies for the quick turnaround!

I will note that 100% of the language relies on off-the-shelf material – I pulled it all from existing briefing materials and talking points.

Thank you!!

Julia
